

The South Carolina Association of Opticians

Insight

Summer 2022

Update

The SCAO will hold one last meeting in 2022, on Sunday August 7th in Columbia at Embassy Suites. Registration is open immediately.

Apprentice Hours will not be offered, but apprentices can attend in the main room with the licensed opticians.

Register online at the address below. Please only sign up once, and only sign up one person at a time, each with a unique email address to make confirmation of your registration simple.

We will be continuing to social distance due to Delta / Omicron Variants and local mandates, so seating will be limited. Masks are optional but not required. For more information, please visit <https://scoptician.org/continu...>

and your SCAO site www.scoptician.org

We are required to get our continuing education hours every year.

The SC Department of Labor, Licensing and Regulations collects our licensing fees every other year.

- **Endemic** The amount of a particular disease that is usually present in a community. It's also called a baseline.
- **Epidemic** An increase — often sudden — in the number of cases of a disease above what is normally expected in that population in a specific area.
- **Pandemic** An epidemic that has spread over several countries or continents and affects many people.
- ***We will eventually get to Endemic stage, like Flu.***
